

A TIME FOR GIVING THANKS

Could you imagine not being able to provide a Thanksgiving meal for your family? Awakenings is thankful, that with your support, we will be able to support those less fortunate than ourselves. Won't you please help us in supporting this endeavor?

Awakenings will be providing ready cooked meals for Safe Nest, Hospice and other families in need. Awakenings is a 501(c)(3) non-profit organization in Nevada; EIN#68-0565738.

We need volunteers to pick up and deliver food and, of course, monetary donations. Any size donation is welcome. \$76 feeds a family of six.

Donations can be made directly to Awakenings at www.awakeningsnv.org by credit card or PayPal. If you can volunteer or you have any questions please e-mail Stephanie at drjordan98@gmail.com.

Thank you for your help assisting those in need.
